

Our Vision

At Racing Unleashed we are creating the most engaging motorsports experience, accessible to everyone, everywhere. We strive to break barriers and bring the thrill of racing to enthusiasts of all backgrounds.

If you are ready to immerse yourself in a position where every financial decision propels us toward prosperity and where your expertise will shape the financial future of Racing Unleashed, then we want to hear from you.

Accountant/Finance Manager (m/w/d)

We Offer

In close collaboration with our CFO and cross-functional teams, you will play a pivotal role in optimizing financial processes, implementing robust systems, and ensuring compliance with regulatory standards. As the primary point of contact for our ERP system, you will lead its functionality, customization, and expansion into new markets, contributing significantly to our global growth trajectory.

- The opportunity to be part of an exciting startup in the motorsport industry and contribute to establishing a global sport from Switzerland.
- Join our tight-knit, dynamic team where collaboration is key. We foster a supportive environment where every team member works closely together, united by a shared purpose and common goals
- The chance to be involved in shaping the future of our company and the motorsport industry.
- The opportunity to help build a world-class finance organization.
- No "cookie-cutter" employees here - we value individuals who are ready to take initiative and drive change, rather than waiting for instructions.

Your Responsibilities

- Oversee daily accounting tasks for cash management, credit cards/expenses, accounts receivable, and accounts payable for our Swiss Racing Unleashed entities.
- Prepare monthly closing, including inventory, fixed assets, accruals, and intercompany reconciliations.
- Coordinate the monthly closing activities of our subsidiaries abroad.
- Manage VAT filings for our Swiss and German Racing Unleashed entities.
- Drive process improvements in VAT/withholding tax/corporate tax, cash management, credit cards/expenses, cash forecast, and the implementation of new applications in our ERP system.
- Lead the rollout of our finance processes and ERP into other countries as we expand our operations globally.
- Collaborate closely with the CFO on various projects, providing financial insights and support.
- Act as a business partner towards our business lines to contribute to the company's overall success.

Join Our Team - desired Qualifications

- A Bachelor's degree in Finance, Accounting, or a related field is required, with holding a Chartered Specialist in Accounting and Financial Management certification considered equivalent. A Swiss CPA would be an advantage.
- Proven experience (3-5 years) in finance and accounting roles, preferably in a multinational environment.
- Sound knowledge of accounting principles (Swiss CO) and tax regulations.
- Proficiency in ERP systems, with experience in Odoo being an advantage.
- Strong analytical skills and the ability to translate financial data into actionable insights.
- A collaborative mindset and the capacity to work closely with cross-functional teams.
- While a passion for motorsport is not mandatory, an eagerness to contribute to our mission is highly valued.
