

Our Vision

At Racing Unleashed, we are driving the revolution of motorsport into the digital era, where real and virtual racing merge into one thrilling global experience. Through cutting-edge simulators, high-end Esports competitions, and immersive Racing Lounges, we connect motorsport fans, sim racers, and professionals in an environment that celebrates speed, skill, and innovation.

Join us in shaping the future of competitive racing and making Esports accessible to everyone.

Kitchen Assistant 80 - 100%

Role Overview

You'll play a crucial role in ensuring smooth operations, supporting the team, and maintaining high standards in a fast-paced kitchen environment.

Key Responsibilities

- Keep the kitchen running efficiently – coordinate workflows and maintain organisation
- Food prep – prepare ingredients and plate up the dishes
- Ensure top hygiene and quality – uphold HACCP standards at all times
- Manage stock levels – check inventory and ordering supplies
- Help maintain cleanliness – ensure workstations, equipment, and the overall kitchen remain clean
- Handle general kitchen tasks

Requirements

- Previous experience in gastronomy or kitchen work

- No completed EFZ training as a chef is necessary
- Highly motivated team player with a strong willingness to learn
- Fluent in German and English
- Reliable, well-organised, and committed to maintaining high hygiene standards
- Team-oriented with a positive attitude
- Compliance with HACCP standards is desired

What we offer

- A dynamic, varied and responsible role in a rapidly evolving environment
- An exciting position with room to grow and develop
- The opportunity to become part of a diverse and international team working on making motorsport accessible to everyone, everywhere
